EDWIN J. SIMCOX

This report contains official, final 1980 election statistics for the State of Indiana. Both Primary and General Election returns are included for the offices of President and Vice President, United States Senator, Governor, Lieutenant Governor, United States Representatives, State Senators and Representatives, and Judges of the Circuit, Superior and County Courts.

We have also included registration and voter turnout figures by county. I would caution, however, that in many cases the turnout figures are estimated by Clerks of Circuit Courts since there is no statute requiring the collection of this information.

Finally, I wish to thank a devoted staff for compiling and proofreading the information contained in this report.

Sincerely,

Edwin J. Simcox
Secretary of State
